Size of Quilt (Please see Pricing Sheet): _____

Quilt Pantograph Design to be used: _____

Thread Color (All quilts will be quilted with Omni Thread): _____

Expected Completion Date: _____

Special instructions for quilting:

Other Information:

- All quilts will be finished on an Innova Lightning Stitch Long Arm Quilting machine, using pantographs.
- Backing and batting is to be provided by customer. The backing and batting sizes need to allow for loading the quilt onto the frame. The preferred batting type is Hobbs 80/20 or Warm and Natural. Please use the following example when figuring out how to much backing and binding you need to purchase:
 - If your quilt top measures 70×80, then the backing and batting must measure 78×88.

Total Cost of Long Arm Services to be provided:

Quilt Top Size: _____

Stitching Cost: _____ + Thread Cost: _____ = Total Cost: _____

Payment in full is required before your finished quilt is returned to you.
